**MEMORANDUM FOR: Deputy Director (Intelligence)**

**SUBJECT : Inspector General's Survey of the  
Foreign Intelligence Staff**

The following recommendations, and DD/P comments thereon, contained in the Inspector General's Survey of the FI Staff are forwarded for your comment.

**1. Recommended that:**

25X1A

The DCI direct the DD/P and the DD/I to rotate all personnel [REDACTED] responsible for liaison between the two units.

**DD/P Comment**

Non-concur. On this matter, as on others mentioned in the Inspector General's report, progress was being made even while the survey was underway. The AD/SI has recently expressed his satisfaction with liaison between his office and the Clandestine Services. [REDACTED] has been taking great pains to do its full share in improving these relations, but there is room for more improvement and more active cooperation [REDACTED] in bringing to the attention of [REDACTED] Branch, in the earliest stages, matters directly affecting Clandestine Services responsibilities (e.g., the coordination of foreign travel by [REDACTED] officers). Rotation of certain officers merely to improve liaison between OSI and DD/P is not necessary.

DD/P Comment

**Concur. Comment:**

25X1A

A. We agree that there should be some rotation of qualified [REDACTED] personnel [REDACTED]

25X1A

B. We are engaging in and will continue to make vigorous efforts to build up DD/P competence in the form of scientifically trained persons through both recruitment and training. This is with the objective of eventually being able to rotate [REDACTED] as well as to become less dependent [REDACTED]

25X1A

25X1A

C. We will expect [REDACTED] officers when rotated into SOD to be fully integrated into and under the jurisdiction of DD/P.

25X1A

**3. Recommended that:**

(a) The DD/P bring to the attention of the DD/I the serious consequences that can result from the direct and uncontrolled exhortation of field personnel to favor certain aspects of collection out of context with all aspects of the collection program, and,

(b) The DD/I issue instructions designed to restrain this activity.

DD/P Comment

Para. (a) - Concur. This problem is being brought to the attention of the DD/I.

Para. (b) - Concur.
